

ANTIMICROBIAL STEWARDSHIP IN WOUND MANAGEMENT

Joint Symposium of BSAC and EWMA

Wednesday 11th May 2016, 13:45 – 16:40hrs

The British Society for
Antimicrobial Chemotherapy

PROGRAMME

Antimicrobial stewardship in wound management I

Chairs: Professor Finn Gottrup, EWMA and Professor Winfried Kern, DGI

- 13:45 Welcome
Introducing antimicrobial stewardship in wound management
Professor Finn Gottrup, Bispebjerg University Hospital, Copenhagen, Denmark
EWMA Past President
- 13:50 Setting the scene, defining stewardship
Dr Andrew Seaton, Consultant in Infectious Diseases and General Medicine, Queen Elizabeth University Hospital, Glasgow, Scotland, UK
- 14:10 German perspectives on antibiotic stewardship in surgery and wound management
Prof Winfried Kern, Albert-Ludwigs-University, Freiburg, Germany
President of the German Society for Infectious Diseases
- 14:30 Biofilm formation and the role of bacterial biofilm in chronic wounds
Professor Thomas Bjarnsholt, Costerton Biofilm Centre, University of Copenhagen, Denmark
- 14:50 Q&A
- 15:00 **Coffee break**
- ### **Antimicrobial stewardship in wound management II**
- Chairs: Professor Finn Gottrup, EWMA and Dr R Andrew Seaton, BSAC*
- 15:30 BSAC/EWMA Position paper on antimicrobial stewardship in wound management
Professor Benjamin Lipsky, Infectious Disease Physician, Oxford University, Oxford, UK

ANTIMICROBIAL STEWARDSHIP IN WOUND MANAGEMENT

Joint Symposium of BSAC and EWMA

Wednesday 11th May 2016, 13:45 – 16:40hrs

The British Society for
Antimicrobial Chemotherapy

- 15:50 Primary prevention and antimicrobial alternatives in wound management
*Professor Axel Kramer, Institute for Hygiene and Environmental Medicine, Ernst-Moritz-
Arndt-University Greifswald, Germany*
- 16:10 The nurse's role in antibiotic stewardship
Noel Abela, M.Sc. Infection Control Nurse, Mater Dei Hospital, Msida, Malta
- 16:30 Q&A
- 16:40 CLOSE
